reporter.
"No. My father decided several day ago that he wanted to get an absolute rest, and he then determined that he would go abroad. He thought he could get better rested by taking a sea trip than by doing anything else. He did ounce the plan publicly, as he wanted to get away very quietly and without any fues. I think he succeeded n doing this."

ment on the Baltic showed that young REST" IS ALL THAT IS ON THE

MAYOR'S MIND. "My father is not going to think of politics or business of any kind while sway, at least that's what he says." continued the son. "Rest and nothing but rest is what he is looking for. "My father expects to be back in New

York about the 20th. He will try to connect with the Cedric at Que that ship leaving there on the twelfth and the Baltic being due in Queenstown on the 11th. This gives him one day and he may be able to make it. ably return on the Laurentic, also of

this line, which will sail from Liver-pool on the 13th and is due in Montreal on the 30th. It is not my father's inside. All he wants is the rest of the sea trip."
The Mayor and his son occupied suite

The Mayor attracted scarcely

tention either when he stepped out of his automobile at the pier or when he twenty people were at the shore end of the White Star pier when the big gray touring car, in which the Mayor rode from his Brooklyn home, drew up at

One of those who accompanied Mayor Gaynor to his stateroom, a member of his immediate party of leave-takers, said after he had bidden the Mayor farewell, that Mr. Gaynor seemed to be an extremely tired and rather sick

cause he's always so perky and chipper." he added. Mrs. Gaynor will remain at the Gay-

nor home in St. James, L. I., while the PUBLICITY.

Secretary Adamson received numerous of the Mayor's political friends, among them being Michael J. Drummond, Commissioner of Charities, who is understood to have the Mayor's support for Comptroller on the "spade" ticket. Mr. Adamson explained that the Mayor has so far refrained from indicating what his decision will be as to the balance of his ticket, a question which is just now causing all the political leaders to throb with curiosity.

Mr. Adamson explained that the Mayor has been subject to excessive cough-ing. He said that the builet, which still lodges in the Meyor's neck, severed several chords in the region near the root of his tongue and caused a partial paralysis of one side. Secretions had formed, and Nature's effort to dis-lodge the "fish-hook," as the Mayor characterised his ailment, provoked the

It was the coughing which caused the pallid face and fragile frame of the Mayor, as was apparent at the ceremofront of the City Hall yesterday. These attacks have become fur-ther apart, Mr. Adamson stated, and the Mayor is now subject to them only once

nomination on the City Hall steps was a distinct shock to all who were close While the excessive heat of the day had a certain fatiguing effect, et it was apparent that Mr. Gaynor was suffering seriously from other causes. He could scarcely stand on his

Before leaving his home in Brooklyn the Mayor dictated a lengthy statem attacking Tammany contractors for State highway scandals and commending Gov. Bulser for breaking the "res-cally contracts." which, the Mayor capt is "probably their biggest spite against He assailed his enemies as

have another.
"Tou want me to say a few words thous the approaching political contest. For ask why it is that the socalled political loaders, especially the
district leaders, are so ferectous
against me. Eurypy and the chape that
against me. Eurypy and the chape that
against me. The police Department and the Fire
Department should be only by taking
the highest men on the list every time.
The old way was to certify at least other night and gustled and abused me until their faces were red, were ready to cat me up, I am told, and yet I never did anything to them except what tend-ed to make them look respectable.

"I suppose the people of the city know very well what the grievance is. I did not turn the city departments over to their spollation. I did not suffer them to look the city. Every head of department was my man and not their man. Do you understand the vast amount in contracts which the Mayor's thirty-two departments give out in a year for work and material, and also year for work and material, and history and they are forced they much those hungry grafting leads against me. They have had four lean and hungry years. Tes, the McCocceys and the control the heads of these and the Foleys and the Whole bunch, THEY WANT TO GET ALL THE

CONTRACTS.

"They want a Mayor who will appoin their favorites as heads of departments. And then they will get the contracts for everything. All sorts of swindling spec-ifications will be given out, and unbalanced bids will be called for, and th favored contractor will get the tip ho him. And then when he gets the con tract he has a commissioner to deal with whe is in his favor. And then that commissioner appoints engineers to spectors to receive the goods, and so on

"In that way the contractor has everything in his favor, including the commissioner and the engineers and inspec of skimped and fraudulent work. It will ook all right on the outside but be holow and rotten within. And the inspecors will pass third-class articles for fret-class articles. They will pass things by the case which contain only one-hal: | ment: what a case means in the mercantile

city's inspectors would just shove the never open them But when they pened they would be found to contain only twelve in place of twenty-four pairs, as the trade term case ole of what can be done when the con-

see here and all ever the State now here all the State contracts. The result is the grossest franks known in this State for pages. Fast look at the highway contracts slope. I ask any honest man to go flow and look at the highways on Long Island. And they are but a sample of the highways from here to Buffalo.

"State heads of departments and dis nonest engineers, found drun's in every tavern throughout the State while the work was going on, passed all kinds of fraudulent work. I have myself seen Island at the highest prices which were perfect wrecks at the end of three were done by those favored contractors pointed to pass upon the work. This is

now rife throughout the whole State.
"But Gov. Sulser broke all of these WANTED TO DODGE Pascally contracts where the work to have begun last spring. That is probably their biggest spite against him. The State reads are in a frightful ADVENT STARTS ...

"The people of this city will have to decide whether that condition of things shall be restored here in this city. I have absolutely freed the departments here from all such graft. The enmity now being displayed by these so-called leaders has been growing during all this time against me.

"If the people of the city want to restore all this villainy let them do it. At all events I am able to go out of office with it known of all men that I I did not turn the city over to the spo of these scoundrels, who have no honest means of making a living. They live by hard sarned taxes they pay.

TOOK POLICE OUT OF MANY'S HANDS.

"And then I took the police out of their hands. It was customary for them to have their favored captains and even inspectors and also policemen to do their hidding. They had the police captains and policemen transferred to suit them. It was customary for a pompous district leader to sit in the rear room of some saloon where his headquarters were and give orders to his police captain and his wardmen, and even to the inspector of his dis-trict. I took that all away from them. "And I proceeded against the gamprotection. And the result was that they made their enmity toward me public by means of the corrupt press of the city. get a fireman or a policeman transferred inder any condition whatever. I took
